Join us in celebration of Black History Month
and hear Yvonne's recollections of growing up on
the Eastern Shore.

Yvonne Nock is a native of Virginia's Eastern Shore, growing up in the Parksley/Seaside Area. With her life and family deeply rooted in the area and community, after graduating from Parksley High School, Yvonne came to Wallops in 1971. So come and join us as she reminisces about her life, as a young black woman, with goals and dreams that she achieved through humor, hard work, and dedication.
